Excursion to Salford Friday 22 June 2012

Leaving Chester Station at 9.15 am by Meredith's coach, the first visit will be to Ordsall Hall, one of the oldest surviving residential buildings, where we will have a tour and coffee. The next visit will be to Worsley, a very attractive village where there are several black and white buildings as well as a stretch of the earliest canal, built between 1759 and 1765. There are several restaurants where lunch is available and also a large village green for a picnic. Next we shall look at various river crossings at Widnes, with hopefully a glimpse of 'The Dream' on the way.

If you would like to take part in this excursion, please complete the form below and send it with a cheque to: Mrs P Wendt, 28 Church Lane, Upton-by-Chester CH2 1DJ, tel 01244 382786. Cheques should be made payable to Chester Archaeological Society. There is normally no acknowledgement, and we regret that no refunds can be made if the Society would lose thereby.
